

Maria Davlantes

Chicago, Illinois, USA | [linkedin.com/in/mariadavlantes](https://www.linkedin.com/in/mariadavlantes)

Chief Executive Officer, Lead Independent Director & Global Executive

Scaling for Growth, Digital Transformation, ESG, M&A

Maria is a CEO, Lead Independent Board Director and a global executive with extensive experience across global public companies and private equity.

She brings 25+ years' experience having launched and scaled businesses in Europe and the U.S. Maria is the CEO and a board member of Dentine, a partner-focused, DSO (dental support organization), and serves as the Lead Independent Director and member of the compensation committee at Life Floor, a company dedicated to safety in the built aquatic environment.

In addition to her executive leadership of a middle market company, Maria has enterprise-wide strategy expertise, a depth of expertise in multi-unit operational environments, digital transformation and modern marketing, and a background in sustainability. With her experience spanning global roles, she has lived and worked in the U.K. and Europe for a decade.

Maria's board service further draws on her C-suite experience at complex, billion-dollar plus enterprises including BP's (NYSE & LON: BP) \$40b global retail group and Interface (NASDAQ: TILE), as well as at private equity (KKR; Warburg Pincus; HGGC) sponsored companies. Her experience spans the healthcare, consumer, retail, industrial design & manufacturing, energy, consumer financial and MarTech SaaS sectors.

Additionally, Maria is a former McKinsey strategy consultant and thought leader who served U.K, European and global clients out of the firm's London office.

Maria believes in the value of governance to guide and responsibly support an organization's growth, value and long-term success. In her board service, she aims to serve as a catalyst towards best-practice levels of governance. She is dedicated to translating her experience for the benefit of the companies she serves and to investing the time to deeply understand company culture.

Maria holds an MBA from Kellogg, a B.S. from Northwestern, and studied PPE at Oxford University, where she rowed at the university level (OUBC).
