

Debora Bielecki is an accomplished corporate director and former global executive with over 30 years of business experience and 8 years serving as chair, committee chair, independent director, and board advisor. She brings a unique perspective on governance, having guided large corporations, start-ups, and not-for-profits through various stages of growth.

Her expertise spans long-term strategic planning, sustainable operations, and innovation-driven growth, strengthened by deep stakeholder engagement. Debora currently serves as Board Advisor to Kruger Inc., and serves on the Board of Canadian Light Source, one of Canada's leading scientific research facilities.

Certified for Business Strategy by Stanford Graduate School of Business, ESG Competent Boards, the Global Risk Institute, and the Canadian Council of Innovation, Debora was honoured with the 2022 WXN Corporate Director EDI Award for her leadership in equity, diversity, and inclusion. A champion of pay equity and sustainability, she brings visionary, collaborative leadership to every boardroom, focused on creating responsible, long-term value.
