

Michelle Tinsley,

Michelle Tinsley is a 30+ year experienced technical leader. Michelle served in a variety of Financial, General Management, Product and Sales roles at Intel for 26 years. 14 years of those roles were in support of the IoT business. She then worked for 6 years in startup environments as a founder. Michelle brings fundraising, M&A and business development skills to the company.

On the personal side of things, Michelle is an angel investor in the Arizona Technology Investors group since 2013. Michelle served on the BOD for QuikTrip for 5 years, and actively serves on the board of AZ Tech Investors. Tinsley received her Bachelor's Degree from the University of Oregon (Marketing & Finance) and an MBA from Arizona State University. She is happily married and raises her two sons aged 19 and 13 with her husband Alan in Phoenix, Arizona.
