**Partner to become a proactive and visible
advocate for advancing women**

*Together let's build the pipeline of female talent – propelling
them to leadership and corporate boards of directors.*

The Benefits of a Partnership

Demonstrate that you are an active and visible advocate

Allow women in your network to benefit from our educational workshops and networking events

Provide your company exposure across our global network

Positively impact furthering the business imperative of diverse boards

Studies reveal that greater diversity, including women on boards, has positive effects on business decision-making, enhanced risk management, and better financial and organizational performance. Additionally, companies that provide leadership development opportunities to their female talent are more likely to retain their employees.

To combat the absence of women in the workplace, 50/50 Women on Boards is focused on establishing a successful pipeline of female candidates for corporate board positions. We provide the right tools and support, so women of all career levels can reach the highest levels of leadership and pursue a board seat that's right for them.

Our vision is a future where all corporate boards are gender-balanced and diverse

Currently, the Russell 3000 includes 517 companies with only one or zero women on their boards, and women of color make up only 7% of the total seats. At the current pace women are expected to hold 50% of the corporate board seats until the year 2033!

Partnerships with corporations LIKE YOURS support the global movement and ensure your female talent continues to advance to the highest levels of leadership.

50 Women to Watch for Boards

Launching on International Women's Day, gain access to our inaugural 50 Women to Watch for Boards List! Finalists will be determined by an elite selection committee, providing companies with the opportunity to tap into a new group of board-ready women outside of their immediate circles.

Workshops for Corporate Groups

Transform your team's performance with our board-readiness workshops. Equip your women employees or clients with the tools, connections, and confidence to reach their full potential and boost the bottom line.

The Networking Hub

Harness the power of connection in The Networking Hub. Our exclusive platform offers a wide network of alumni, faculty, and corporate directors to empower and guide women on their board journey. We invite sponsors to post content or be featured as a speaker.

Annual In-Person and Virtual Events

Held across our global network, our in-person events provide women the opportunity to strategically network with Board Directors in their field and sponsors the opportunity to expand their networks and meet qualified board candidates. Global sponsors will also be featured in our virtual Global Conversation on Board Diversity™.

Gender Diversity Research Report

Our Gender Diversity Index™ reports compare the percentage of public company board seats held by women by state, sector, and race and ethnicity. These reports are a trusted resource cited by national media. Sponsors will have the opportunity to be featured in our Annual Report.

“50 Women to Watch for Boards!”

A list of board-ready women.

This International Women’s Day, 50/50 Women on Boards launched a new initiative: “50 Women to Watch for Boards”. The aim is to assist corporate boards that still lack female directors by providing them access to qualified women who have not yet served on corporate boards and showcasing the inspiring achievements of the selected executives.

An exclusive committee of Nom/Gov Chairs, Stock Exchange Leaders, and Board Directors will decide the finalists. Once published, the 50 finalists will receive the support they need to advance in their board search and gain public recognition through multiple online channels and partnerships. Companies that want access to the list, including contact details, are invited to sponsor the initiative.

Gender Diversity Index Research & Reports

Quarterly & Annual Distribution.

Quarterly and annually, 50/50 Women on Boards distributes research reports highlighting the number of women and women of color on boards. Since 2010, our Gender Diversity Index™ Directory has been cited as a trusted resource. The reports receive national media exposure and are distributed to more than 100,000 key stakeholders in our network, garnering millions of impressions.

To gain additional visibility as an advocate for women,, we invite sponsors to:

- Include your company logo, headshot, and quote from your CEO in our Annual Gender Diversity Index Report and on the website- **\$5,000**
- Include your logo in our Annual Gender Diversity Index Report distributed in September - **\$3,500**

84% of our funds raised directly support our research, educational programs, and advocacy efforts for women to advance. With your help, we can continue to advance the movement!

We EDUCATE

We offer board-readiness workshops that equip your female employees or clients with the tools and confidence to cultivate meaningful board relationships and develop the required skills for successful leadership.

We ADVOCATE

Through our global events and public awareness campaigns, we engage influential voices in meaningful conversations to positively impact and influence boardroom diversity.

We COLLABORATE

We partner with corporations and like-minded organizations committed to elevating diversity, equity, and inclusion and providing women in their network with the opportunity to upskill and network.

We REPORT

Quarterly and annually, we report on the progress Russell 3000 public companies are making to diversify their boards. Our Gender Diversity Index Directory allows the public to search companies by state, sector, and our proprietary ranking.
